

**The Chemical Biological Radiological and Nuclear Defense
Information Analysis Center (CBRNIAC)**

Announces a Technical Forum on:

Emerging CBRN Defense R&D Requirements

Wednesday, September 23, 2009

9:00 am to 3:30 pm

**Battelle Eastern Science & Technology Center
1204 Technology Drive
Aberdeen, MD 21001**

Overview: *The purpose of the Forum is to identify emerging CBRN Defense R&D requirements and explore their implications for research and application in a collaborative interagency environment. Speakers will include representatives from DHS, DOD, EPA, Academia, and FFRDCs. Sessions will include: Threat (Secret session), Detection, Therapeutics, and Testing.*

Additional information and an agenda will be available the week of Aug 17th.

Registration is limited to DoD personnel and other U.S. Government agencies. Due to space limitations, registration is now closed.

For additional information, contact the conference coordinator at CBRNIACForum@battelle.org.
